## THE SOUND OF IMAGINATION ..... WE ECHO IN REALITY

### **ECHO Construction**

With passion and experience, Echo Construction was born in 2013 in Riyadh, Saudi Arabia. Echo Contracting is one of the medium-sized companies in the Saudi market. It contains different work cadres at all levels, from consultants to workers. Echo Contracting has many projects at all levels, starting from small projects and ending with medium projects.

### **ECHO Events**

Starting with the location scouting, logistics, traffic control and seating, we plan your event from A to Z.

### **ECHO Production**

Our strategic Partnership with GTV; who's a leading film production house in the Gulf region. Producing corporate films, documentations, TV programs and social media videos at top international standards.

### **ECHO Entertainment**

An events company, a creative agency and a marketing agency with Music at its core! Based in Dubai, KSA, and now in Egypt, Echo specializes in avant-garde concept productions which target key contemporary demographics and activate brands/venues. With decades of experience in the global dance music industry!

## ECHO Events

Echo of events: Echo of the event works on studying the needs of customers and determining its size and target groups, so it builds the event based on the need and ending with the extent to which it reaches the target group and achieves the goal of the event.

Therefore, it creates unique designs and starts manufacturing them on the ground and works on documenting them using the latest audio equipment, lighting devices and remote control cameras using robots and transferring it to the community in a manner befitting the brand of our customers.

## **ECHO Events services :**

### **Stages**

Manufacturing the latest types of theaters, from designs to creative execution.

### **Lighting**

We are preparing the event with the latest lighting devices and screens in accordance with the goal

### **Audio & Visual**

Visually, you will always need what attracts the eye of the client. We provide this to satisfy the eye keeping in line with your brand guidelines.
